36th Annual

Production Sale

& Fun Day

Saturday, March 28, 2026
Sale Starts Promptly at 11:00 A.M.

A Note From 4-J...

We invite you to attend our 36th Annual Production Sale

We are excited to offer an exceptional lineup of top-quality gaited horses, featuring Tennessee Walking Horses, Spotted Saddle Horses, and Missouri Foxtrotters. This year's riding horse selection has been carefully chosen to suit riders of all kinds, with horses ready to excel on the trail, in endurance riding, the show ring, field trials, or whatever adventure you have in mind.

We will also be offering several broodmares, all in foal to our stallions—an excellent opportunity to add proven quality and future potential to your program. For those who enjoy starting young prospects, a limited number of select yearlings will be available as well.

Every horse in the sale is owned by 4-J and will remain available until sale day—no early sales. We stand behind our horses and guarantee that each one will sell as described on SALE DAY.

All horses will have a current negative Coggins test and Health Certificate. Need help with transportation or have questions before the sale? The Laughlin Family will be happy to assist you every step of the way!

Don't miss this opportunity—we look forward to seeing you at the sale!
